## Grandfathered Drugs

As of October 2, 2006, Wisconsin Medicaid has grandfathered prescriptions for recipients who are currently taking non-preferred drugs in the following classes. Recipients currently taking non-preferred drugs in these classes may remain on the drug indefinitely without prior authorization (PA).

This list may be revised at any time and providers should refer to the Pharmacy page of the Medicaid Web site at [dhfs.wisconsin.gov/medicaid/pharmacy/](http://dhfs.wisconsin.gov/medicaid/pharmacy/) for the most current list of drugs.

Drug Class
Alzheimer's agents
Anticonvulsants
Antidepressants, other
Anti-Parkinson's agents
Atypical antipsychotics
Selective serotonin reuptake inhibitor drugs
Stimulants and related agents
